1-The analysis report above refers to the time and place of testing, and strictly to the supplied sample(s) only, without reference to any other matter. SGS did not physically draw the sample and does not take any liability whatsoever. This report does not evidence or refer to any consignment or shipment and this is not a certificate of quality which is issued for information only and not valid for bank negotiation and legal purposes.

2-This sample is received from the client only for analysis of parameters as specified above. SGS did not conclude their decision for the description of product and nor it is agreed or accepted in this scope of our testing. This report is issued for requested test only therefore SGS its representative shall or not be held responsible for any claims or legal action

3-This document is issued, on the client's behalf, by the company under its general conditions of service, copy available upon request and accessible at http://www.sgs.com/terms_and_conditions.htm. The client's attention is drawn to the limitation of liability, indemnification and jurisdiction issues defined therein. Any other holder of this document is advised that information contained herein reflects the company's findings at the time of its intervention only and within the limits of client's instructions, if any. The company's sole responsibility is to its client and this document does not exonerate parties to a transaction from exercising all their rights and obligations under the transaction documents. The information stated in this report is derived from the results of testing procedures carried out in accordance with the instructions of our client, and/or our assessment of such results on the basis of any technical standards, trade custom or practice, or other circumstances which should in our professional opinion be taken into account.

Warning: If herein above in this document it is stated that the sample(s) to which the finding recorded herein (the "findings"), relate was (were) drawn and/or provided by the client or by a third party acting at the client's direction then the finding constitute no warranty of the sample's representativeness of any goods. The company accept no liability with regard to the origin or source from which the sample(s) is/are said to be extracted.

4-Unless otherwise stated the result shown in this test report refer only to the sample(s) tested and such sample(s) are retained for 07 days only after analysis.

This document can not be reproduced except in full, without prior written approval of the Company, any unauthorized alteration, forgery or falsification of the content or appearance of this document is unlawful and offenders may be prosecuted to the fullest extent of the law.

Publish or advertisement of the result or this document is prohibited, unless prior written approval of the company.
